## I have fun retreat news to share!

The [Into the Wild](#) retreat registration is open. Connect with nature under the expert guidance of Wilson "Wild Man" Alvarez. Plan to join us Sept 8-11th. All of the details are [here](#).

The Self-Sufficient Woman Retreat,  
coming August 2018.

Look for Animals & Art in November

[The Self-Sufficient Woman](#) is something I've wanted to do since starting this business and I'm thrilled to offer this weekend for women! Block Aug 3 -5 and I'll write again when registration opens.

I'm very excited about a new idea in the works, [Animals & Art](#) which will include photography and painting. This will likely take place the first weekend of November at an animal Sanctuary in Maryland.

If you like these ideas, please let others know by forwarding this message!

I'm also building up my business Facebook page ([@jsretreats](#)) and I'd love to have you follow me. You'll be rewarded with live videos of my upcoming trip to Mexico.

Seize opportunities to grow!
