

A weekend just for women!

Get ready for **The Self-Sufficient Woman** weekend retreat! Join a welcoming group of other enterprising women to conquer fun challenges you probably never thought you'd tackle (and eat yummy food -- there's always yummy food). Walk away with new skills, revived confidence, and a refreshed mindset.

We'll learn skills and secrets for: DIY home repair, urban gardening, lock-picking (and, ladies, *restraints*), financial literacy, and bike mechanics from several talented instructors. Our *female DIY experts* are self-taught and quite frankly, would probably embarrass the partner, husband, father in your life. That's why it's just the gals. ;))

Give it to yourself (or better yet, convince someone else to give to you!). Register by June 3 for a break on the standard price.

The retreat will be in the Washington DC area from August 3-5, 2018. Codes for sweet deals at nearby hotels are provided to those who need accommodation. Full details are [here](#).

This is a Rocky's Retreats *Signature Event*, which means it's the bomb!
