Women Creatives!

Have you been pinching and scraping to find bits of time to work on your writing, painting, drawing, or other creative projects? We have the perfect mini-retreat for you!

This Pop up Art Camp provides a comfortable space in natural surroundings within a community of like-minded women to help you cultivate your creative projects. We'll offer simple meals and a couple short sessions on writing and drawing for those who want to participate. Otherwise, the time is yours!

Create. Relax. Reconnect.

Sound good? Visit <https://rockysretreats.com/upcoming/popup-art-camp/> for full details and registration links. The cost of the retreat is \$125 for the 2 nights and we have space for 19 women.

Seize opportunities to grow!
