Past, Present, Future at Rocky's Retreats

Past: Celebration of Women's Empowerment

The Self-Sufficient Woman weekend retreat was a wild success! We drilled, sawed, pounded, unscrewed, rewired, and picked our way to sharpening our DIY home improvement skills.

"GREAT morning and afternoon locations! Instructors were fun and informative. Food and drinks were AWESOME! Rocky, you're amazing!"

"Excellent! Instructors had a tremendous amount of knowledge and were more than willing to share it. A lot of enthusiasm from all. Excellent organization and planning from Rocky."

"Hands on activities were wonderful."

"Very informative. Provided tools for everyone. Spoke in basic terms so everyone could understand. Very approachable presenters. Flexible and humorous."

Present: Into the Wild reborn as Pop up Art Camp

We hit a couple unexpected snags with the Into the Wild retreat and the event as planned had to be cancelled. Instead it was reborn as a [Pop up Art Camp](#) for women to be held Sept 8-10. Please see the [previous newsletter](#) for information - Women Creatives should register by Aug 23!

If you were looking forward to the wilderness skills event, please let us know so that we can gauge interest in trying this concept again in the future.

Future: Are you ready for Animals & Art?

And now for the BIG announcement: Registration for Animal & Art opens tomorrow, Friday Aug 17th!

This November 2-4, learn photography and painting on the peaceful grounds of an animal sanctuary! Visit rockysretreats.com for full details and links to registration. The early bird discount is available until Sept 29, after which the standard registration fee applies. We expect this to sell out so don't delay.

Seize opportunities to grow!
